

Information for 2021

We are hopeful that we will be able to resume play during the summer of 2021. Although the pandemic is still with us as we approach the end of 2020, the appearance of the vaccines makes us optimistic that life will begin to return to somewhat normal next year.

If we decide to play, we plan to strictly follow the guidelines from the City of Dublin, Franklin County and the state of Ohio. We plan to invest in the necessary PPE and cleaning supplies that we will need to keep our players, our volunteers and our fans safe.

We plan to open registration for the 2021 season in mid-January. If you registered and paid last year, you will need to register again but you will not need to pay again. Your registration fee will carry-over into 2021. There will be a box on the registration form where you can indicate if you have already paid.

With the continuing uncertainty about the pandemic, it is not clear yet when our season could begin. At this point, we are considering two scenarios: 1) a 10-game season that would begin on May 1st and end with Trophy Day on July 17th and 2) a 7-game season that would begin on June 5th and end on July 24th. Either way, we need to begin registration in January so that we have enough time to assemble the team rosters and purchase uniforms, hats and other supplies.

Stay tuned for a message in January announcing the opening of registration and for further updates about the 2021 season. Questions can be directed to ohiomiracleleague@gmail.com.
