Be a Buddy for the Miracle League!

The Miracle League is a baseball league for children and young adults with special needs. Every Saturday from early May to mid-July, nearly 250 athletes from all over central Ohio play baseball on a specially-designed field at Darree Fields in Dublin with the support of their volunteer “buddies.”

Buddies are middle school, high school or adult volunteers who assist players while they are batting, running the bases and playing in the field. Non-sibling buddies must be 11 years or older or in at least 6th grade. This is an excellent opportunity to earn service hours for your church and/or your school.

Buddies are usually paired up with the same player for the entire season. The 2024 season will begin in early May and continue through mid-July. There are eight 2-inning games every Saturday except Memorial Day weekend and 4th of July weekend. The time commitment is about 1-1.5 hours each Saturday.

If you are interested in becoming a buddy, you can register on-line at www.miracleleaguecentraloh.org beginning in January 2024.
