

Subject: Game schedule for the 2024 Miracle League World Series on September 29

We are looking forward to seeing everyone again at the World Series! We always try to avoid conflicts with Buckeye games in the fall, so the World Series is scheduled for **Sunday**, September 29.

For the Saturday League, we will be combining two teams into an all-star team and playing **one-inning** games. The Night League will combine three teams into an all-star team. The Union County Shriners will be serving free refreshments all afternoon. The Columbus Clippers are bringing their hot dog racers and their mascots, so it should be a fun afternoon!

Here is the schedule of games:

Noon Cubs/Tigers vs. Marlins/Yankees
1:00 Angels/Mets vs. Braves/Nationals
2:00 Dodgers/Guardians vs. Cardinals/Phillies
3:00 Diamondbacks/Orioles vs. Reds/Red Sox
4:00 Night League all-stars

Players who did not pick up their trophies on Trophy Day will be able to do so at the World Series. Volunteers can also pick up their gift cards if they missed Volunteer Appreciation Day.

We hope to see you soon!
